Hydroscand is a Swedish company that sells and distributes hose and fluid connectors. The company is represented in 15 countries in Europe, Asia and Africa. Hydroscand has approximately 540 employees at over 120 branches, and has a turnover of 190 million Euro. Hydroscand is a well-known brand in Europe serving the requirements of large industrial manufacturers such as Atlas Copco Rock Drills, Volvo CE, Cargotec/Hab & Kone Cranes and Sandvik Mining Equipment to name a few. Hydroscand AB was established in Stockholm, 1969. Establishment of branches began in the seventies with the first one in Linköping. Over the following decades, the Swedish organization expanded, both by starting its own branches and by acquiring collaboration partners to today's 43 branches in Sweden. Today the headquarters is located in Skövde, Stockholm and operates a decentralized business with branches across Europe, Asia and Africa.
