Social media

From Wikipedia, the free encyclopedia

Social media describes the online tools and practices that enable online digital communication and perspectives with each other. Social media can take many different forms, including blogs, wikis, and popular social networking services like MySpace, Facebook, and LinkedIn. Other examples of social media include "display and download" (the "tag" or "tagging" system), "social media" (the social networking site), and "social media" (the social networking site).

Examples of social media

- bulletin boards
- message boards
- social bookmarking
- multiuser multiplayer online game
- social networks
- video
- podcasting
- videoblogging
- photoblogging
- blogging
- wikis
- mailing lists
