Viral video clip featuring iPod's dirty secret gets seen by 100.000 people in just 48 hours

Now - again about 24 hours later - the counter stands at 175,105, while the video clip is no longer available. On average, the message was communicated worldwide around the clock to one person every second for nearly three

So, here's the thing: you people terrify me.  
You're passionate, you're insightful, you're bravely outspoken. You know *Grey's Anatomy* and its characters better than anyone, except maybe Shonda Rhimes. And I don't know if you realize this, but the way you write about the show, debate it, love and/or hate it carries an enormous amount of weight in the Writers Room.

- Debra Cann on "Sometimes a Fantasy"
- Krista Vernoff on blogging and "I Am a Tree"
- The last thing I'm gonna say for now...

All of which makes the experience of blogging here for the first time absolutely terrifying.
